KRISTEN VICTOR DESIGN LAUNCHES WATER + LUXURY COLLECTIONS FOR THE KITCHEN AND BATH

Collection Provides Interior Design Market and Clients with Unique Choices

SAN DIEGO, Calif. – Kristen Victor Design announces the introduction of Water + Luxury Collections, a selection of custom-designed, one-of-a-kind furniture pieces for the kitchen and bath.

Handcrafted by local San Diego artisans, including pieces by renowned artists Robert Feeley, Michael Borrelli, and Dave Fiedler, the Water + Luxury Collections line is original and distinctive. Blending sophisticated materials harmonious with nature and intricate workmanship, the line offers a plethora of design nuances. From hand carved, solid wood vanities, cast concrete countertops, to chiseled granite backsplashes, the Water + Luxury Collection provides exclusive kitchen and bath furniture and accessories. The kitchen collection includes beautiful yet functional islands, stainless steel hoods, artistic barstools and accessories. Items for the bathroom include free-standing vanities, elegant lighting, framed mirrors, sinks and accessories. Unique and affordable, the Collection pieces range in price from \$1,500 - \$15,000.

“The Collection pieces are a representation of the design principles utilized with my interior design clients, said Kristen Victor, owner of Kristen Victor Design. “Each vignette has been created as a piece of art and will be sold as a limited edition. This will allow wider market access to our company and its design capabilities. I am pleased to introduce something new to the kitchen and bath design industry.”

Established in 1990 by Kristen Victor, Kristen Victor Design has been designing unique spaces for both national and international clients. Touting numerous awards including San Diego Home and Garden’s “Designer of the Year” in 2002 and Design Concepts’
